

Reach & Rise® Mentoring is a national YMCA

**program designed to build
a better future for youth
by helping them reach
their full potential
through the support of
caring adults.**

**Reach & Rise supports youth
ages 9 to 17 who are often in
communities challenged by
poverty, crime and single-
parent households, among
other social issues. As a
mentor, you can provide a
positive and consistent
relationship with a young
person, helping to improve
your mentee's self-esteem,
decision-making skills, school
performance and
interpersonal relationships.**

INSPIRE A FUTURE: BECOME A MENTOR

By sharing your time and guidance, you can help your mentee express feelings, have a positive outlook for the future, become more confident and improve at school. You'll learn how to be a positive role model and gain a better perspective of the pressures and challenges that youth face.

WHO ARE OUR MENTORS?

The ideal Reach & Rise mentor is

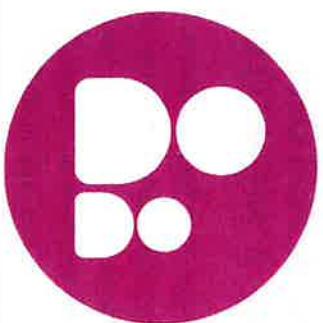

- a dependable, responsible adult who wants to share new interests and experiences with youth.
- a friend, counselor, role model, supporter and guide.
- someone who can listen, respect different points of view and empathize with a child's struggles.

BUILD TOGETHER GROW TOGETHER

Volunteer mentors are matched with a young person for one year to provide one-to-one mentoring services and create safe, healthy and meaningful relationships with youth. You and your mentee may participate in service projects or other engaging activities.

As a mentor, you will gain personal satisfaction from making a difference in a young person's life. You'll also have the opportunity to connect with youth from different cultures and backgrounds. Together, you can share diverse experiences, develop a stronger sense of belonging within your community and create lasting memories and fun times!

MENTOR REQUIREMENTS

Mentors must

- be at least 21 years old
- complete the 17+ hour training
- pass a fingerprint security screening
- have a clean driving record and valid auto liability insurance (if driving mentee)
- spend at least 1-3 hours a week with youth for a year

A MENTOR'S STORY

If you had a special person in your life who guided, nurtured and taught you that you mattered, you had a mentor.

"The past year, I have become an integral part of my mentee's life. We play laser tag, ball, visit a ton of tourist attractions, the library, watch baseball games, etc. These activities help build my mentee's self-esteem and give him the ability to escape his often chaotic environment at home and in his neighborhood.

The program's been rewarding in my life too, allowing me to reconnect with my inner child and exposing me to neighborhoods and cultures outside of my comfort zone.

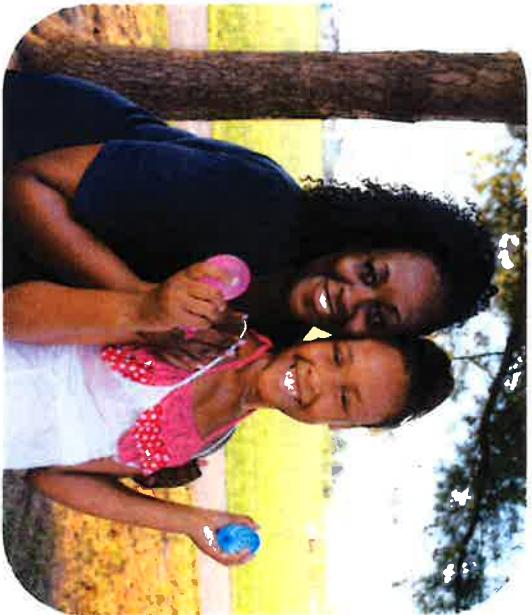

I can't recommend the program enough. Try it. You'll be surprised by the impact you can make in someone's life." – Kevin, Mentor
